## Work Experience

### General Assembly

#### Web Development Immersive | Web Developer

*September 2014 – January 2015*

Learned to build web applications using a variety of languages and frameworks in an intensive fast-paced environment. Approximately 500 hours of class time and 250 hours of lab/group work over a 12 week course period. Managed project workflow through Git version control for individual and group projects.

- **Languages:** Ruby, Javascript, HTML5, CSS3
- **Frameworks/Architectures:** Rails, jQuery, Backbone.js, AJAX, JSON, MVC, CRUD, RESTful
- **Database Tools:** SQL, PostgreSQL, ActiveRecord, BCrypt
- **Styling/Design:** CSS3, SASS, Bootstrap, Bourbon, Skeleton

#### **Projects:**

- **RESTaurant** – Point of Sales internal ordering application for restaurant staff. Ability to update/create menu, Resources (Ruby, Sinatra, HTML5, CSS3, PostgreSQL)
- **ProjectShare** – Collaborated with team of four to create a project focused social network. Users can host their projects and connect to other users with specific skill sets to join their projects. Resources (Ruby on Rails, HTML5, CSS3, Bootstrap, PostgreSQL)
- **WalkSafe** - Provides a visualization of crime within the 5 boroughs of New York City. Users can create an account, and then use the map to inform themselves of the safest streets or neighborhoods. Resources (Ruby on Rails, JavaScript, Jquery, HTML5, CSS3, Mapbox API).

### Wild Dunes Resort

#### Boardwalk Inn & Village Housekeeping Manager

*January 2013 – September 2014*

- Managed all aspects of the Housekeeping operation at Wild Dunes Resort: The Boardwalk Inn - 93 room boutique hotel and The Village -150 unit condominium style hotel. The resort also includes 250 Homes/Condos throughout the gated community, a 10,000sqft conference center, 2 golf courses, 17 clay tennis courts and multiple dinning outlets.
- Oversaw staff of 30 to 60 people between low and peak season.
- Quickly learning to communicate with 80% Hispanic only speaking employees.
- Was responsible for all housekeeping operating expenses including payroll, inventories, guest supplies, capital projects and other departmental expenses.
- Realized a 10% departmental savings year over year through innovative staffing, scheduling and purchasing.
- Improved Housekeeper efficiency and employee satisfaction through training, coaching, and creative work distribution.

#### Assistant Housekeeping Manager

*March 2012 – January 2013*

- Conducted daily and monthly meetings to ensure full staff communications.
- Controlled daily/weekly/monthly purchasing, receiving, invoicing and billing.
- Created weekly schedules for Boardwalk Inn & Village departments.

#### Guest Service Manager

*January 2011 – March 2012*

- Managed the Bell/Valet/Transportation operation for the entire resort with a staff of 15 to 30 employees.
- Implemented multiple standard operating procedures to improve guest/employee satisfaction.

#### Bell/Valet/Transportation Supervisor

*December 2009 – December 2010*

- Supervised two valet operations and transportation for entire resort.

---
